PROFESSIONAL SUMMARY

Product manager with 7+ years shipping B2B SaaS. Own the full lifecycle from discovery to GA; delivered 3 products that reached \$1M+ ARR each within 18 months of launch.

PROFESSIONAL EXPERIENCE

Senior Product Manager | Clerkly, New York, NY

2021 - Present

- Own product strategy for the billing platform (\$24M ARR); shipped 40+ releases with a 4-person squad.
- Ran discovery with 120+ customers, prioritizing a self-serve flow that lifted activation 34%.
- Partnered with engineering to cut infrastructure cost per customer 28% via usage-tier redesign.

Product Manager | Orbit Analytics, Boston, MA

2018 - 2021

- Launched a reporting module that became the #1 upsell, contributing 19% of new revenue.
- Introduced weekly experimentation cadence; ran 60+ A/B tests with \$2.3M attributable lift.
